11:10AM to 11:30AM Snack Time

Self-serve, family style healthy snacks.
 *Children clean up after themselves.

Art Station:

Activity: Free Art/Draw a picture of your spring garden
 Children learn to freely express themselves, be creative, and develop fine motor skills.

Math/Manipulative Station:

Activity: Counting
 Count tree blossoms, rocks and insects outside.
 Promote language development, math skills, and an appreciation for nature and the environment.

Science/Cooking Station:

Activity: Plant a sunflower
 Children explore the basic nutrients plants need and care for their very own plant.

Dramatic Play Station:

Provide an opportunity for children to engage in pretend play with their peers, using their imagination.

Music & Movement Station:

Activity: Moving to the wind
 Encourages children to exercise to stay active, healthy, and to develop their gross motor skills.

10 Best Practices of Successful Parents/Caregivers:

1. Commit to being your child's first teacher.
2. Be on time.
3. Be consistent. Bring child to Early Learning Academy on a regular basis.
4. Interact with your child as often as possible.
5. Give positive reinforcement.
6. Be positive role models for your child as well as other parents.
7. Model civic responsibility by helping clean up.
8. Participate in a child assessment tool.
9. Encourage a home visit from teaching staff.
10. Accompany children at all times.
