

WHAT PEOPLE ARE SAYING...

"I love doing what I do because of the outcome in development of the youth. It's rewarding to be able to see a shy youth develop into an outspoken person. Hearing from the youth about how much of a difference you make in their lives is also very rewarding. I enjoy my work because I am able to develop a long lasting friendship with the youth that I work with. Knowing you make a difference in their lives is the most important reason I do what I do." -- Ker Xiong, Volunteer Youth Facilitator
